## **President's Message**

Dear Fellow Members,

Thanks to all of you, October's meeting had the second largest attendance in Clark County Dental Society history! Glad that this event proved beneficial and of interest to so many. Kudos and thanks to Dr. Steve Hokett for putting together such a fine, and popular, program.

On Thursday, November 5th, C.C.D.S. is honored to welcome Dr. Bernard Carter, the Chair of O.H.S.U. Periodontics. This promises to be an interesting lecture and all are encouraged to attend.

Attendance at the monthly meetings is not only a good peer building event, but also helps to fulfill some of the 21 annual clock hours required for licensed dentists. The D.Q.A.C. performs random compliance audits on up to 25% of practitioners annually - so good to stay on top of this requirement. You can view your recorded C.E. credits on the WSDA website, [WSDA.org](http://WSDA.org). Using your A.D.A. number, you can view your C.E. tracking, check hours earned, and, if necessary, enter courses taken but not recorded.

Happy fall! Look forward to seeing everyone on November 5<sup>th</sup>.

Dr. Mark Johnson, CCDS President
