February 2012 Newsletter

President's Message

I hope that the beginning of 2012 has been good for all of you! We had a great start to the 2012 year for the Dental Society with our January meeting with Dr. Lisa Spink providing an informative lecture about Porcelain Ceramics. As usual we had another great turnout, and I received a wonderful compliment from Mike Wilson, of O'Brien Dental Labs, saying that our Dental Society is consistently the best attended group that they sponsor. I am grateful to be a part of this group. I ask you to bring any ideas to me to make our group more relevant to the members that do not attend.

We have another intriguing lecture this month that will generate some discussion. The topic is "Dental Lasers" by Michael K. Koseja, DDS. Laser technology has been a beneficial adjunct to dentistry. I am quite interested to hear his presentation. Interstate Dental Lab will be our sponsor for the February meeting.

When you receive this letter, Dental Action Day will have passed. I want to thank all of you who made the trip to Olympia. I want to extend a special thank you to Dr. Danny Warner, our WSDA Vice-President. We are fortunate to have his knowledge and resources available to our group and appreciate his hard work in arranging our meetings with the different elected representatives.

I look forward to seeing you at the February meeting.

Wishing you all the best!

Daniel E. Wilson, DMD
